Pets, Pets, Pets!

Just a reminder to all residents with pets, please be courteous to all your neighbors and pick up after your pet. There is nothing worse than coming home in the middle of the night and stepping in feces. Not only does the feces look bad, it also creates a bad odor. So, we ask that you please pick up after your pets.

6. Pet Rules and Regulations:

e. Resident(s) shall be responsible for cleaning up all pet feces and disposing of the same in a clean, sanitary manner. Resident(s) shall not permit any pet excrement or urine on common area hallways, steps, or walkways. Resident(s) shall not allow pet excrement or urine to damage landscaping, flowers, shrubs, or grass. Pet(s) must always be walked only in designated "Pet Areas" or, if none, in natural, wooded areas surrounding on or off the apartment community property.
